

The 2015 Pilot Project of Certifying Universities' Self Evaluation Results

This project is to certify the self evaluation results done by the universities which were chosen by the Ministry of Education. This year we have 6 applicants which are Taipei National University of the Arts 、 National Chung Hsing University 、 Chung Yuan Christian University 、 Taipei medical university 、 National Taiwan Ocean University and FU JEN catholic university. The certification results of these six universities are certified. The certified periods of these three universities are the same with the second cycle program evaluation
