

## Professional Evaluation Agencies Recognition Project

According to 'the Ministry of Education Professional Evaluation Agencies Recognition Regulations', the accredited professional evaluation agencies should be recognized every five years by MOE or its trustee named HEEACT. In 2015, two professional evaluation agencies named IEET and TWAEA should turn in their applications to HEEACT. HEEACT will help MOE to establish the recognition criteria and recognize these two agencies. Furthermore , HEEACT investigates and collects the international professional evaluation agencies' information about accrediting higher education institutions aboard for MOE's policy reference.
